

Extender SUV

The AmeriGlide Extender SUV is engineered to fit your Sport Utility Vehicle. It is an interior platform lift that features a single-piece platform that you can drive your power chair or scooter on or off from in either direction. What's more, it's built with coated steel parts, an industrial 12 volt motor and battery pack, and an easy-to-use control.

- Made in the U.S.A.
- 3-year transferable warranty
- 350 lbs. lifting capacity
- Easy-to-use 2-button hand control
- Removable front drive panel for easier service
- Adjustable wheel chocks
- Fits into SUVs with a 31" opening height
- False floor available for select vehicles
- Can lift a variety of power chairs and scooters from Pride as well as other brands
