

AG-375L

3-Position Chaise Lounger

AmeriGlide's 375L lift chair features three position reclining capabilities, a full chaise pad, and a classic button back cushion design. This value-priced lift recliner is available in your choice of six wear-resistant upholstery colors, and sized for medium to large users measuring 5'4 to 5'10 in height, with a 375-pound lift capacity. Integrated battery backup means never having to worry about being stuck in your lift chair if your home loses power, and a one-year in-home parts and service warranty lets you rest easy knowing you're covered if you need a replacement part or repair job.

AG-375L Features
